THE COMMUNITY

A community is a group of people living and working together. People who live in different homes make up a community, they are neighbours.

A **neighbor** is a person who helps you in danger.

God wants us to show love, respect, and care for our neighbours.

The story of the Good Samaritan in the Bible

Luke 10:30-37.

One day when Jesus was teaching, He told the story of a Good Samaritan.

He said, one day a certain man went down to Jericho. He fell into thieves who beat him up badly and ran away leaving him half dead.

A certain priest found him but passed by on the other side. Another man who was a Levite arrived at the place, he saw him and also passed by on the other side.

But a certain Samaritan came where the man was and when he saw him, he felt love for him. He tied love bandages on his wounds and put him on his donkey and cared for him.

Lessons we learn from this story.

- We must show love and care for others.
- We must learn to share what we have with others.
- Love your neighbour as you love yourself.
- God rewards those who love one another.

Questions

I. Who beat the man to make him half dead?

2. Where was the man beaten from?

3. Who was the first man to find the beaten man?

4. Who helped the injured man?

5. Why do you think the Samaritan helped the man?
